## Art & Synaesthesia Workshop

THURSDAY 26TH JULY @ 6PM

MAP

Art & Synaesthesia Workshop with resident dance artist Stephanie Scheubeck & her group Sound & Colour Production.

This multi art form workshop centres around synaesthesia, a fascinating neurological phenomenon where the senses blend. The workshop is open to all levels of experience in art & dance. Come along & let's boost our creativity!

MOVE it \* SENSE it \* DRAW it!

Dance, imagery, sound, drawing & painting enrich one another in a creative exchange. Through somatic movement we tune into our sensory perception, let vivid imageries arise stimulated by music & sounds which we will translate into creative drawings & paintings. In vibrant improvisations we translate the paintings & drawings into dance.

Let's meet in a respectful & vibrant verbal & artistic exchange on perception, expression - diversity!

The workshop is open to participants of diverse backgrounds in movement, dance, fine art & music. It specifically invites participants who are new to this kind of work & who are interested in exploring movement, sensory perception, sound, drawing & neurodiversity in a vibrant workshop.
